Shaya Sark

MEMBERTOU FIRST NATION

My name is Shaya Sark. I am an inspiring Artist, I am 25 years old, and I am from Membertou First Nation, located on Cape Breton Island. I'm currently employed at The Membertou Heritage Park. I'm also a full-time mom to my 6-year-old son, Elijah. My interest is mostly digital art, I love being able to create anywhere I go. I have been creating art for one year now, and in that time I have made, designed, and produced holiday cards which I sell, and I have designed logos for some local community businesses. My goal is to be able to return to school soon to pursue a career in graphic design.
